

GROUP RULES

- 1) One teacher per class receives free admission. One chaperon per 10 students is required.

- 2) Group Price is \$7 per student with minimum of 20 attendees (students and chaperons). Groups less than 20 members will be charged this minimum if requirement is not met.

- 3) Tours are generally 1.5 hours long. You may extend your stay by adding activities or bringing a snack or lunch.

- 4) We cannot control the weather so dress appropriately. There is no rain date unless severe conditions occur. Hay rides are contingent of rain and field condition. If it is determined that a hay ride is not safe, a suitable activity will be provided or lengthened to meet your schedule.

- 5) We ask that you confirm your expected group number at least 7 days in advance. Your organization is responsible for your own permission slip for attendees. Our petting zoo and grounds guideline warnings are posted on our website & property.

- 6) Picnic tables are available by request and reservation for lunch if you prefer a longer visit.

- 7) Modifications will be made if your group arrives late. We will do our best to accommodate your requests dependent on other farm visitors and staff schedules.

- 8) Group Reservation date inquiries may be submitted through our website on a first-come, first-serve basis. We will contact you directly once submitted to discuss details, answer questions and confirm your event if available. Please call or email with any questions as well.
